

Required Bachelor degrees for EUMaster4HPC

- Applied Statistics
- Bachelor of computer science and engineering
- Bachelor of Science (Special) Degree in Physics
- Bachelor of Technology, Computer Science and Engineering
- Bachelor of Technology, Electronics and Communication engineering
- Bachelor's degree in Informatics Engineering - major Computer Engineering
- Bioinformatics
- biomedical engineering
- BSc Information and Computing Science
- Computational Engineering
- Computer Engineering / Computer Science
- Computer Science
- Computer Science and Engineering
- Computer Science and Mathematics
- Computer Science and Software Engineering
- Data Science and Engineering
- Double major Mathematics and Computer Science
- Electrical and Computer Engineering
- Electrical and Information Engineering
- Electronic and Computers Engineering
- Electronics and Communication Engineering
- Electronics and Computer Engineering
- Electronics and Telecommunication Engineering
- Embedded Systems Engineering
- Fisica (Physics in English)
- Informatics
- Informatics, Computer Engineering specialization
- Information and Computing Science
- Information Engineering
- Information Technology
- Informatique
- Major in Computer Science
- Matematica per la Finanza e l'Assicurazione
- Mathematics
- Mathematics and computer science
- Mathematics and Life Science
- Mathematics and Science Computer
- Medical Informatics
- Physics
- Science in Informatics
- Software & Information Engineering
- Software Engineering
- Statistics and computer science
